Looking forward to meeting you!

**Neighbour Day** is an annual celebration that encourages people to connect with their community.

Neighbour Day is usually held on the last Sunday in March each year, however events can be held on any day in March, with many streets and neighbourhoods across the country choosing a different date to celebrate when best suits them and their neighbours. From a simple cuppa to a street party, you can do whatever suits you and your neighbours!

The wonderful thing about Neighbour Day is that it's a community movement; and it is communities that help to spread the word and join in Neighbour Day celebrations.
