Neighbour Day – Australia’s Annual Celebration of Community

Australia’s annual celebration of community is just three weeks away! Held on the last Sunday in March every year, Neighbour Day will be celebrated around the country on Sunday 29 March.

Neighbour Day brings together the people next door, across the street or on the next farm for a beer, a barbie or just a cuppa. It’s the perfect day to say thanks for being a great neighbour and for being there when I needed you most.

Everything you need to help organise your Neighbour Day event is now available on the neighbourday.org website. You can also enter the ‘Tell Us Your Story’ competition to win cash prizes!

Relationships Australia is the home of Neighbour Day.
