# My #CreativeConnections Tip Video Competition

**Create. Connect. Contribute.**

To stay connected during these challenging times we all need to get creative. With your help and the collective wisdom of our communities, together we can share ideas and inspire further social connection across Australia. We'll share your #CreativeConnections Tips video entries far and wide on social media and encourage everyone **to create connections and stay connected.**

## IT'S EASY

- Make a short video (15 seconds max.) - hold up the My #CreativeConnections Tip sign as you share your best creative tip to stay connected during these times.
- Submit your #CreativeConnections Tip via our website.

Each #CreativeConnections Tip submitted goes into the draw to win cash prizes.

Visit [neighbourday.org](http://neighbourday.org) for competition details and to enter.

**Connected people connect communities.**
